LIMITED**

**Established: 2002**

# COMPANY INTRODUCTION

Habib Hasam Limited, a company established in 2002, functions as a prominent trading and import-export entity headquartered in Afghanistan. Its reach extends significantly across various countries, including Pakistan, the USA, Brazil, China, India, Turkey, Singapore, Vietnam, Gulf Countries, and CIS Countries. The company's primary objective revolves around enhancing culinary experiences while upholding an unwavering commitment to excellence across all aspects of its operations.

Central to its ethos is a deep-seated regard for animal welfare, ensuring that its poultry products are sourced from ethically raised birds thriving in healthy environments. This dedication to ethical practices underscores the company's values and contributes to its reputation as a conscientious player in the industry.

Moreover, Habib Hasam Limited takes a proactive stance on sustainability, integrating eco-conscious practices throughout its supply chain. By minimizing its environmental impact, the company distinguishes itself as a trailblazer in Afghanistan's comprehensive poultry sector. This proactive approach not only aligns with global sustainability goals but also reinforces the company's position as a leader committed to responsible business practices.

HABIB HASSAM LTD

# HABIB HASSAM POULTRY COMPLEX:

Committed to the production of top-tier poultry products, Habib Hassam Poultry Complex operates with a steadfast dedication to fostering the optimal health, growth, and productivity of its poultry. The complex employs a comprehensive approach, ensuring that its flocks receive nutritionally balanced feeds tailored to their specific needs. This meticulous attention to diet not only promotes the well-being of the birds but also enhances their profitability, thereby making a significant contribution to the sustainability of the agricultural sector as a whole.

Furthermore, Habib Hassam Poultry Complex stands out as a unique and cutting-edge facility, equipped with the capacity to produce millions of day-old chicks and table eggs annually. Its state-of-the-art Hatchery is a testament to its commitment to excellence, boasting a remarkable capacity to hatch over 90 million chicks. This advanced facility not only underscores the complex's technological prowess but also reinforces its position as a leader in the poultry industry, capable of meeting the demands of both domestic and international markets with unmatched efficiency and quality.

---

# Mutahid Shamal Sharq Livestock Co.

Mutahid Shamal Sharq has garnered a formidable reputation for its exceptional poultry feed production. Renowned for its unwavering commitment to quality and innovation, Mutahid Shamal Sharq stands as a cornerstone provider not only catering to the requirements of the esteemed Habib Hassam Poultry Complex but also playing a pivotal role in servicing the broader poultry sector within Afghanistan.

Through its meticulous attention to detail and adherence to stringent quality standards, Mutahid Shamal Sharq ensures that its poultry feed formulations are tailored to meet the specific nutritional needs of poultry, thereby optimizing their health, growth, and productivity. By leveraging cutting-edge technologies and employing a team of seasoned experts, the company consistently delivers feeds of unparalleled quality, contributing significantly to the advancement and sustainability of the poultry industry in Afghanistan.

Mutahid Shamal Sharq's dedication to excellence extends beyond mere product provision; the company actively engages in research and development endeavors aimed at enhancing the efficacy and nutritional value of its feeds. Through continuous innovation and a steadfast commitment to meeting the evolving needs of the poultry sector, Mutahid Shamal Sharq remains a trusted partner for Habib Hassam Poultry Complex and a key player driving the growth and prosperity of Afghanistan's poultry industry.

# Hasam Pharma:

Hassam Pharma stands at the forefront of safeguarding the health and productivity of poultry farms, offering effective solutions meticulously tailored to combat prevalent challenges such as disease outbreaks and adverse climatic conditions. With a steadfast commitment to excellence, the company employs innovative interventions that not only address immediate concerns but also proactively optimize flock health. By leveraging cutting-edge research and advanced technologies, Hassam Pharma ensures that its solutions not only mitigate risks but also contribute to the long-term profitability and sustainability of poultry farms.

Through a holistic approach, Hassam Pharma integrates a range of strategies aimed at fortifying the resilience of poultry farms against various threats. By analyzing data and trends, the company identifies potential risks and designs customized solutions to mitigate them effectively. These solutions encompass a spectrum of interventions, including biosecurity protocols, vaccination programs, and nutritional supplements, tailored to meet the unique needs of each farm. By focusing on preventive measures alongside responsive treatments, Hassam Pharma empowers poultry farmers to maintain optimal flock health and productivity, ultimately enhancing their profitability and ensuring the sustainability of their operations.

Moreover, Hassam Pharma remains committed to ongoing research and development endeavors, continually refining its solutions to address emerging challenges in the poultry industry. By staying at the forefront of scientific advancements and industry best practices, the company ensures that its interventions remain effective and relevant in an ever-evolving landscape. Through collaborative partnerships with poultry farmers and industry stakeholders, Hassam Pharma fosters a culture of innovation and knowledge exchange, driving continuous improvement and advancement within the poultry sector.

## Aziz Oil Solvent & Extraction:

Situated within the Export Processing Zone in Risalpur, Khyber Pakhtunkhwa, Pakistan, Aziz Oil Solvent & Extraction emerges as a distinguished entity renowned for its production of premium-quality Banspati ghee and cooking oil. Under the visionary leadership of Mr. Aziz, the company has established itself as a beacon of excellence, showcasing remarkable entrepreneurial acumen in the competitive market landscape. With a meticulous approach to sourcing raw materials, including soybean, canola, and rape seeds from global markets, Aziz Oil Solvent & Extraction epitomizes operational efficiency and expertise throughout its manufacturing processes.

The hallmark of Aziz Oil Solvent & Extraction's operations lies in its unwavering commitment to delivering superior-quality products to discerning consumers across Pakistan, Afghanistan, and Central Asia. Leveraging state-of-the-art manufacturing facilities and employing stringent quality control measures, the company ensures that its Banspati ghee and cooking oil meet the highest standards of excellence. Through a seamless integration of advanced technologies and industry best practices, Aziz Oil Solvent & Extraction consistently exceeds customer expectations, cementing its reputation as a trusted provider of premium edible oils.

Beyond its immediate market reach, Aziz Oil Solvent & Extraction's impact extends to fostering economic growth and prosperity within the region. By engaging in import-export activities and maintaining strategic partnerships with global suppliers, the company contributes significantly to the development of local economies while serving as a catalyst for regional trade dynamics. With a forward-looking approach and a commitment to continuous improvement, Aziz Oil Solvent & Extraction remains poised for sustained success and continued growth in the dynamic landscape of edible oil production.

# CEO's Vision | Mission

As the CEO of a diverse portfolio of enterprises across Afghanistan and beyond, my vision is rooted in a relentless pursuit of excellence and innovation. Since the turn of the millennium, I have spearheaded the establishment of various ventures, each contributing uniquely to the advancement of their respective industries. With Turkish citizenship facilitating seamless import processes from European, Asian, and Gulf nations, my enterprises have consistently pushed boundaries and expanded their global footprint.

Among our notable ventures, Mutahid Shamal Sharq Livestock stands out for its premium poultry feed offerings, setting industry standards for quality and efficacy. Similarly, the Habib Hassam Poultry Complex has solidified its reputation as a leader in the production of layers and poultry farms, thanks to our unwavering commitment to animal welfare and sustainable practices. Diversifying our portfolio, Hassam Pharma has been instrumental in elevating healthcare standards within the poultry sector, demonstrating our dedication to holistic industry development.

Furthermore, Aziz Oil Solvent & Extraction has carved a niche for itself as a producer of high-quality Banspati ghee and cooking oil, while also serving as a prominent importer of essential raw materials from key global markets. My vision for our enterprises revolves around embracing innovation and fostering organizational agility, enabling us to adapt swiftly to technological advancements and evolving industry trends. By closely monitoring key performance indicators and maintaining a resilient outlook in the face of challenges, we will continue to drive our enterprises towards sustainable growth and industry leadership, guided by a commitment to excellence and a relentless pursuit of progress.
